Friday 17th November 2023

Dear Parents and Students,

Good afternoon.

I would like to start by extending thanks to all who attended our recent Sixth Form Open Evening. The event was a success, allowing our students to explore the options available for their education after completing their current studies. My thanks also go to all the students and staff who participated in our fundraiser for Children in Need today. The event organised by our Sixth Form has raised an impressive £144. Well done everyone and thank you.

This month, we honour Anthony Walker. Our Diversity Day focuses on unity, diversity, and respect within our school community. As a school, we will renew our understanding of how important it is to be inclusive at all times, and what this looks like to our students.

Looking forward, we are excited to share news about our upcoming GCSE Presentation Evening. This event celebrates the hard work and achievements of our dedicated students, showcasing their commitment to excellence. Many will receive awards that recognise particular skills and tenacity in subjects and within the school. We look forward to welcoming our ex-Year 11 pupils and their families.

Finally, I am pleased to introduce our new Parent Governors. They bring valuable insight and skills to our school's governing body which will strengthen this even further.

Have a lovely weekend.

Mrs Thorogood, Headteacher.

ANTHONY
WALKER
FOUNDATION

DIVERSITY DAY - REMEMBERING ANTHONY WALKER

Next week we will be remembering Anthony Walker during our PSHE lessons.

There is a schedule of external speakers and assemblies during the day as well as Anthony Walker evening, with Dr Gee Walker speaking, as well as drama, choir, and dance performances from 6pm-7pm in the Arts Theatre.

Pupils will be taking part in workshops with visitors from the Jewish Council, My Muslim Neighbour, MENCAP, LCR Pride, Daisy UK, ASC workshops and the Anthony Walker Foundation.

More information regarding the Anthony Walker Foundation can be found [here](#).

Mr East, Head of PSHE & Citizenship.

GCSE PRESENTATION EVENING

RAINHILL HIGH SCHOOL

Rainhill High School cordially invites you to our

GCSE PRESENTATION EVENING

INVITATION

Thursday 23rd November 2023

6:30pm
Arrival

7:00pm
Event Start

Please RSVP to: Loraine.Potter@rainhillhigh.org.uk
stating how many seats you will require.

DRESS CODE: SMART CASUAL

Rainhill High School Warrington Road Rainhill Merseyside L35 6NY

INTRODUCING OUR TWO NEW PARENT GOVERNORS

Kate Cain and Catherine Jackson.

I would like to officially welcome both Kate and Catherine onto the Governing Body at Rainhill High. Both bring with them an excellent range of skills, solid professional backgrounds and a real enthusiasm to positively contribute to the School and all of the students. We now very much look forward to working with them both. In their role as parent governors, Kate and Catherine will not speak 'on behalf' of the parent body, but will bring the parental perspective to the strategic decisions that governors make.

I would like to also thank the other candidates and to our parents who dedicated time to considering each candidate and for voting accordingly in support of the election. Your support is important so long may it *continue*.

Mr L Townson, Chair of Governors.

CHILDREN IN NEED

This year, just like in previous years we have been supporting Children in Need in RH6 today.

BBC Children in Need makes sure that every child has the childhood they deserve; and the support they need to thrive. They are committed to funding the grassroots organisations and project workers across the UK that provide the vital positive relationships children need to help them navigate the challenges in their lives. Their project workers support, inspire and champion them to ensure they have opportunities and can reach their goals. They fund thousands of charities and projects in every corner of the UK, that support children and young people to feel and be safer, have improved mental health and wellbeing, form better, more positive relationships and be given more equal opportunities to flourish.

This year to support this fantastic cause we held a Raffle, prizes included a £30 Amazon voucher, chocolate, a Pudsey apparel and accessories.

Thank you so much to all those who supported our students today. We raised a massive £144.

The Sixth Form Team.

ADVICE FOR PARENTS - NITROUS OXIDE (LAUGHING GAS)

This week all students have looked at the change in law regarding Nitrous Oxide (sometimes known as laughing gas) during tutorial. Nitrous oxide is a colourless gas that is most commonly found in pressurised metal canisters. You may have seen these metal canisters lying around in streets particularly outside bars and nightclubs. People misuse this substance by inhaling the gas to get psychedelic effects, often by inflating balloons with it. The law around Nitrous Oxide changed on November 8th 2023. It has been reclassified as a Class C Drug and is now illegal to possess if the police suspect it is not being used for a legal purpose. People caught in possession may face a police caution, criminal record, unlimited fine or up to two years in prison. Distribution, or intent to distribute, also carries a sentence of up to 14 years.

Taking any illegal drugs is dangerous for anyone, especially young people. Please ensure that you speak to your child about the dangers of experimenting with any drug, including Nitrous Oxide.

More information about the changes to the law can be found on the government's website here: <https://www.gov.uk/government/news/possession-of-nitrous-oxide-is-now-illegal>

Mr Roberts, Assistant Headteacher.

EQUIPMENT DROP OFF AT RECEPTION

We are receiving an increased number of items coming into school due to pupils forgetting equipment for the day. Could all parents please remind their child to be organised for the school day before they leave home.

READING PLUS

We are very excited to announce that we will be launching Reading Plus in the coming weeks!

Reading is an essential skill for our students, both during their time at Rainhill High School, and in their lives after. Reading Plus will help our students to boost their reading skills and foster a love of reading.

More news to follow.

Miss Dugdale, School Librarian.

COGNITIVE LOAD THEORY

Year 11 pupils will be receiving their reports and updated grades next week. On the back of this the Intervention registers will be updated and communicated as soon as possible. It is an exciting time for the year group as we are also coming up to launching "Passport to Prom".

Our focus will soon be preparing the year group for LP2, and with that in mind, they will be learning about "Cognitive Load Theory" in form next week. I have attached an information sheet for you to have a look over, which should also be useful for discussions at home.

As always, if you have any concerns, please get in contact via synergy.

Thank you for your support.

Mr Barry, Year 11 Progress Leader.

Cognitive Load Theory

Information for parents and carers

Did you know?

Cognitive load theory is a handy model to understand challenge and how to learn information which isn't too hard, or too easy, but just right. (Sweller 1998) Cognitive load is the amount of information our working memory can hold at any one time. The capacity of our working load is limited and therefore students can maximise their working memory by practising a range of strategies.

Research shows that strategies for reducing cognitive load can assist the human brain to learn and store knowledge, boost confidence and improve memory retention.

Further research has identified that reducing the cognitive load can reduce stress and anxiety and the feeling of being overwhelmed with tasks.

What can you do?

Support your child to try out strategies to reduce the cognitive load. Examples include:

- Breaking down problems into smaller parts. This reduces the problem space and lightens the cognitive load, making learning more effective.
- Helping them to understand worked examples in order to work out how to complete tasks.
- Encouraging them to take advantage of auditory and visual channels in their working memory and supporting them to create stories to help remember information in accessible chunks.
- Working with them to simplify information and build on it. Students should avoid overloading their brain with too much information at any one time.

The learning environment is crucial to reducing cognitive load. Help your child to create a calming environment to work in with as few distractions as possible. Encourage them to turn off their phone, music or the TV whilst revising or doing homework. Distractions only add to our working memory.

Help and encourage your child to review information from their lessons as they go along because this will help improve their retention, adding knowledge to their long-term memory. Help them get into a routine which works for them.

READING AGE TESTING

In Half-Term 2 all students in Years 7 – 10 will complete the first reading age test of the year. For Years 7-9 the test will take place during Computing lessons, for Year 10 this will be during an English lesson. Please see the timetable below for when your child will sit the assessment.

The test will be a reading comprehension and will provide us with your child's reading age. This will be communicated to you once available.

The best preparation for the reading tests is a regular routine of reading for pleasure. I encourage your child to use the school library where Miss Dugdale, the school librarian, will be able to support students with making the best reading choices.

SUSTAINABLE CHRISTMAS MARKET

Our **Sustainable Christmas Market** takes place at Gillmoss Recycling Discovery Centre on **Saturday 25th November** with activities for all ages and even a visit from Santa. Families will be able to come and view the recycling facility and find out how they can celebrate sustainably this year all while doing a bit of Christmas shopping from local stall holders.

Rachel Albrecht, Education, Communications & Outreach Officer, Recycling Discovery Centre.

ATTENDANCE NEWS

ATTENDANCE UPDATE

HT2 – Week 9 Attendance Update

A huge well done to those students who achieved 100% attendance last half term and to those who have arrived at school on time each morning.

Our whole school attendance has improved by 0.4%, when compared to the same time last year; we have worked very hard to support and challenge where attendance is a barrier to attending school.

Rainhill's attendance is **significantly higher** than both the St Helens and National average.

There have been two areas that have prevented the school improving further.

1. Unauthorised term time holidays

Last term there were 96 students in Year 7-11 who were absent from school due to unauthorised term time holidays. This is a significant increase when compared to same time last year. Most holidays were in the first and last week of term. Individual parents have been contacted and follow up completed. **We ask that you do not book holidays in term time.**

2. Last day of term

Our school attendance on Friday 27th October was **88% this is 5% lower** than on Thursday 26th October. Data from previous years tells us that Rainhill students have higher absence on the last day of each term. This is not a trend that is mirrored so acutely across other St Helens schools or indeed nationally. Focus will be placed on student/parents whom this is applicable to. The expectations of teaching and learning on the last day of term is no different to the first day of term.

Parents have a part to play in this as absence in 99.9% of cases is known to the parent. We ask, that for the remainder of this year, your child attends on the final day of each term. Home and school collaboration is key when supporting and promoting good attendance.

The final day of term for this half term is **Thursday 21st December**, Friday 22nd December is a staff INSET day. Students do not return to school until **Monday 8th January**. In total, your child will have 11 days of holidays.

During this half term, I will be writing to you each week to share information promoting attendance, developing understanding of how attendance impacts on your child's progress and attainment and to raise awareness of the in-school initiatives that we are running.

As we move through November and into December, the weather turns, and mornings are dark. We ask you as parents to be resilient in ensuring that you send your child into school. Every day counts!

ATTENDANCE AT THE END OF 1 SCHOOL YEAR	LOST LEARNING DAYS	THIS EQUATES TO
95% ATTENDANCE	▶ 9 DAYS ▶	ALMOST 2 SCHOOL WEEKS
90% ATTENDANCE	▶ 19 DAYS ▶	ALMOST 4 SCHOOL WEEKS
85% ATTENDANCE	▶ 29 DAYS ▶	ALMOST 6 SCHOOL WEEKS
80% ATTENDANCE	▶ 38 DAYS ▶	ALMOST 8 SCHOOL WEEKS
75% ATTENDANCE	▶ 48 DAYS ▶	ALMOST 10 SCHOOL WEEKS
70% ATTENDANCE	▶ 57 DAYS ▶	ALMOST 11.5 SCHOOL WEEKS
65% ATTENDANCE	▶ 67 DAYS ▶	ALMOST 13.5 SCHOOL WEEKS

RAINHILL HIGH SCHOOL

GETTING YOUR CHILD TO SCHOOL ON TIME REALLY MATTERS

IF IN A SCHOOL YEAR YOUR CHILD IS LATE EVERYDAY	YOUR CHILD WOULD HAVE LOST APPROXIMATELY	OR THEY WOULD HAVE MISSED APPROXIMATELY
5 Minutes	3 Days from school	16 Lessons Lost
10 Minutes	5 Days from school	32 Lessons Lost
15 Minutes	8 Days from school	48 Lessons Lost
20 Minutes	11 Days from school	63 Lessons Lost
30 Minutes	16 Days from school	95 Lessons Lost

HT2 – Wk10 – Attendance

This week our celebrating consistent, improved and improving attendance initiative has launched.

Each week 3 students from each year group will be identified.

Mrs Coxhill and Mr McLoughlin spent time congratulating a fabulous group of Year 9 students. We are really proud of their attendance.

Next week I will write to you detailing our **December Attendance challenge**.

Mrs Munro, Deputy Headteacher.

IMPORTANT INFORMATION

REPORTING ABSENCES/LATE TO SCHOOL/FORTHCOMING

APPOINTMENTS/UNEXPLAINED ABSENCES VIA ABSENCE TAB ON SYNERGY

Synergy is the primary source of communication from school to all parents in relation to your child.

Synergy also enables daily attendance alerts to be sent to parents and allows you to:

- report your child's absence from school
- query if your child has an unexplained absence mark
- inform the school if your child is going to be late
- let us know of any forthcoming medical appointments for your child
- reply to the Attendance Team if you have received an attendance alert

Please use Synergy to report absences in the first instance. This can be actioned by accessing the contact school option from the home screen, followed by the absence option.

ENRICHMENT TIMETABLE

ANNUAL FLU IMMUNISATION PROGRAMME 2023

Important Information from St Helens Immunisation Team - Annual Flu Vaccination

Years 7, 8, 9, 10 and 11

Dear Parent/Carer,

Your child's annual flu vaccination is now due.

This vaccination is recommended to help protect your child against flu.

Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of flu.

The vaccination is free and is a quick and simple spray up the nose. Even if your child had it last year, it is recommended to have the flu vaccine again this year. The immunisation team will be coming into school to deliver on Tuesday, 5th December 2023.

Please visit the below link to access further information and complete your child's consent form even if you don't want them to receive their flu spray as this will avoid further communications from our service.

<https://econsent.merseycare.nhs.uk/>

If you are unable to complete the online form, please contact our team who will be happy to help. If after completing your child's form you attend the GP and your child receives the flu nasal spray or wish to amend their form you must contact the immunisation team directly and not your child's school.

Yours faithfully,

St Helens School Immunisation Services
01744 415 645

FREE SCHOOL MEAL FUNDING

**RAINHILL
HIGH SCHOOL**

IN PURSUIT OF EXCELLENCE

Could your child qualify for Free School Meals? Has your income changed this year? Could your child be eligible for additional funding?

**Do any of the statements below apply to you?
If they do your child may be eligible to access
additional government funding at school.**

**Your child may be able to get free school meals if you get any
of the following:**

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

**It is important to give children the
best possible chance in life, open as
many doors as possible and broaden
their horizons.**

**Additional funding may be available
to school to support children who
have faced challenges, overcome
difficult times or are in a low income
household.**

**Your child may be able to access
additional funding if:**

- They have been adopted from care
- They are on a special guardianship order
- They have a parent that regularly serves or died whilst serving in the armed forces

**If you think any of the three statements above
apply to you please email
yacine.rachi@rainhillhigh.org.uk with details.**

**If any of the statements above apply to you please ensure you complete a
FREE SCHOOL MEAL application from your local council. You will apply to
the council that your home address is part of.**
